

NEW PRODUCTS

Migaloo Home is all about modern and contemporary design for exclusive spaces. Our furniture are elegantly and exquisitely designed using resin, making it one of a kind. Furniture designed and made in Europe, we are a team of architects and interior designers that can help you to create bespoke pieces that will make your interior like no other.

DESIGN IMPACTS INTERIOR IDENTITY

Besides our exclusive standard offering, we also create custom made furniture. We customize not only the size and the shape, but also the design. Our unique offer would reflect your interior identity.

RESIN TABLES AND WALL PANELS

Migaloo Rock is one of our signature product that is loved by our clients and designers due to its luxurious feel and exceptional design. Migaloo Rock is developed in-house using the conglomerate rock along with a decorative backgrounds and Italian clear resin. We keep hygiene, design and quality at the center of our focus.

We use UVA and UVB resistant material and specialize in the following :

- Tables
- Reception Desks
- Wall panels
- Decor elements
- Cabinets
